

**Silicon Valley Future Stars Fall Classes**  
**Digital Media Production, SAT Preparation & Microsoft Office and Internet Safety**

Dear ALL,

We will like to let you know about the Fall courses in Digital Media Production, SAT Test Preparation and, Microsoft Office and Internet Safety (This one is for Middle School Students Only.).

The Silicon Valley Future Stars courses that were implemented in partnership with Cogswell Polytechnical Institute in Sunnyvale have been very successful for three consecutive semesters. The success has led to another collaborating with Cogswell for a set of FREE Digital Media Production classes that is taking place each Saturday from September 12<sup>th</sup> through November 21<sup>st</sup> 2009. Both beginners and intermediate level classes will be available. Please check out the web site and register online.

(1) 3D Modeling and Animation Production (*Beginning and Intermediate*) -

[http://www.svap.org/participants/3d\\_animation.php](http://www.svap.org/participants/3d_animation.php)

(2) Digital Audio Production (*Beginning and Intermediate*) -

[http://www.svap.org/participants/digital\\_audio.php](http://www.svap.org/participants/digital_audio.php)

(3) Video Game Production (*Beginning and Intermediate*) -

[http://www.svap.org/participants/video\\_game.php](http://www.svap.org/participants/video_game.php)

Note that these particular classes will run Each Saturday for three (3) hours each. The seats are limited. A student can take up t two of the courses one in the morning session and one in the afternoon session. Please RESERVE YOUR SEAT NOW.

For our Middle School Future Stars, Hewlett Packard and the HP Bay Area Black Employee Forum is hosting a series of 4 Saturday trainings to educate the students on key MS Office Applications and Internet Safety. You must commit to attend the four (4) consecutive Saturday classes from September 12<sup>th</sup> through October 3<sup>rd</sup>. Please go to this link to register the middle school students for this class. [http://www.svap.org/participants/online\\_registration.php](http://www.svap.org/participants/online_registration.php)

In addition SAT Test Preparation classes will be offered each Saturday from September 12<sup>th</sup> through November 21<sup>st</sup> 2009. Students may enroll in either the morning or afternoon class session. **If you are an existing Future Star participant, please go to this link to enroll into this class.** <http://www.svap.org/participants/registration.php>

**Below is a chart listing each of the class offerings.**

Meanwhile we have been running a few of our other programs at different locations and from the new facility that we received from the City of San Jose (The Spot, 7050 Bret Harte Drive, San Jose, CA 95120.) We are also working in collaboration with some school districts, to formalize a valuation standard for high school credit equivalent for students who go through our program.

For more information, please check out our last media presentation at [http://www.svap.org/SVAP-NBC11\\_presentation.pdf](http://www.svap.org/SVAP-NBC11_presentation.pdf) and Cogswell Press Release - <http://www.digital50.com/news/70019> . NBC11 TV features our participants - [http://www.nbcbayarea.com/station/community/Rufus\\_White\\_Jocelyn\\_Logan\\_and\\_Chris\\_Rot\\_an-Smith\\_talk\\_with\\_Janice\\_Edwards\\_on\\_Bay\\_Area\\_Vista\\_Bay\\_Area.html](http://www.nbcbayarea.com/station/community/Rufus_White_Jocelyn_Logan_and_Chris_Rot_an-Smith_talk_with_Janice_Edwards_on_Bay_Area_Vista_Bay_Area.html)

We look forward to partnering with you as a participant, sponsor or Future Star parent. Find out about our plans for non-Silicon Valley residents.  
Thanks.

SV Future Stars, an SVAP Program

---

About Silicon Valley Future Stars Program Silicon Valley Future Stars program is an integrated and innovative afterschool program that focuses on youth cultural awareness and educational enrichment programs that include career training in technology, broadcasting and performing arts. The program is operated by Silicon Valley African Productions (SVAP,) a non-profit San Jose based organization. We provide high quality opportunities for local underserved youth to set highly challenging goals and to explore multiple avenues to personal and professional success imbedded in academic/civic commitment incentive, positive media outlets/spotlights, and high paying jobs paving a brighter future for the participants. The Future Stars program is to open to all middle and high school students in the Silicon Valley of California. However, the highest priority is given to the underserved, disadvantaged lower income, and lower achieving middle and high school students, who are at risk of dropping out of school. For more information feel free to contact us Molly Uzoh by e-mail at [Molly.Uzoh@svap.org](mailto:Molly.Uzoh@svap.org) or by phone at 408-268-8400 or Rufus H. White, [Rufus.White@svap.org](mailto:Rufus.White@svap.org) (408) 930-3911.
